The Time Is Now

Temulac 1948

A Foreword:

THE TIME IS NOW

Shortly before Amistice Day last year Mr. Worst received the following letter:

"For the past three years when Armistice Day is drawing near, I think more and more of my son whom I used to drop off at Cal on my way to work each morning. No, I don't think of him as an honor student, or even as an exceptional student in any class at Cal. I do think of him as a good son and as a student of Cal that learned from your teachers to always boost the other fellows that he worked with. Here is what makes me say the above. In the personal belongings of my son who was killed over Berlin, March 6, 1944, as Engineer on a B-17 Bomber, I find in his own handwriting a scribbled poem still boosting the other fellow.

Oh, we're braver than hell,
On the ground all is well,
  In the air it's a different story:
We sweat out our track
Through fighters and flak,
  We're willing to split up the glory.
Well, they didn't reject us,
So Heaven protect us,
  And until all the shooting abates,
Give us courage to fight 'em.
Oh, yes, one more item:
  An escort of P-38's."

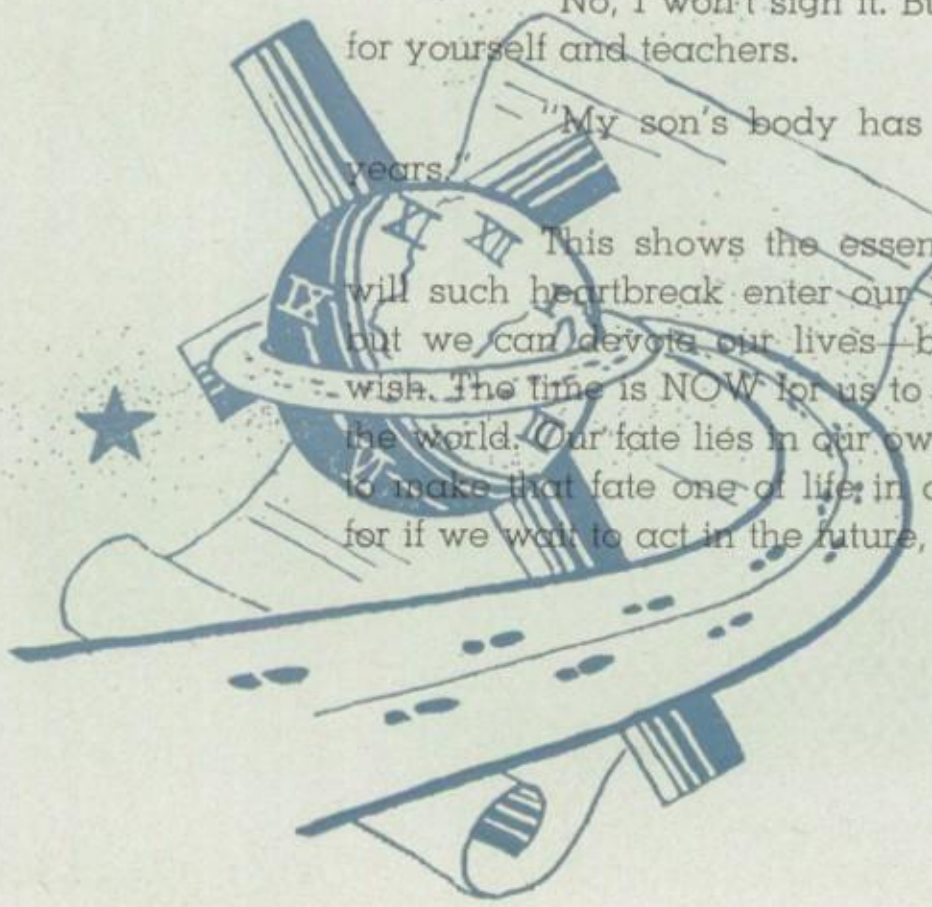
"P. S. As I said before: This was scribbled. It really looked original. But whether original or not, it makes his pop feel good to think he was all for the men in those P-38's. And I really believe he got that kind of teaching at Cal.

"Please excuse the ink. I should have used blue because that's how I feel.

"No, I won't sign it. But I do hope you get some consolation out of it for yourself and teachers.

"My son's body has never officially been found . . . almost four years."

This shows the essence of war—heartbreak. In the coming years will such heartbreak enter our lives? Time alone can answer that question, but we can devote our lives—beginning now—to producing the answer we wish. The time is NOW for us to start working to eradicate such tragedies from the world. Our fate lies in our own hands and we must strive with all our being to make that fate one of life in a peaceful and free world. We must act now, for if we wait to act in the future, we will lose that peace and freedom.



". . . split up the glory."

A Message

To Our Graduates

As you leave Calumet High School which has played such an important part in your life for the past four years, I should like to pass on to you the following story:

An Englishman was once asked this question: "Now, tell me honestly, do you think this world is getting better or worse?"

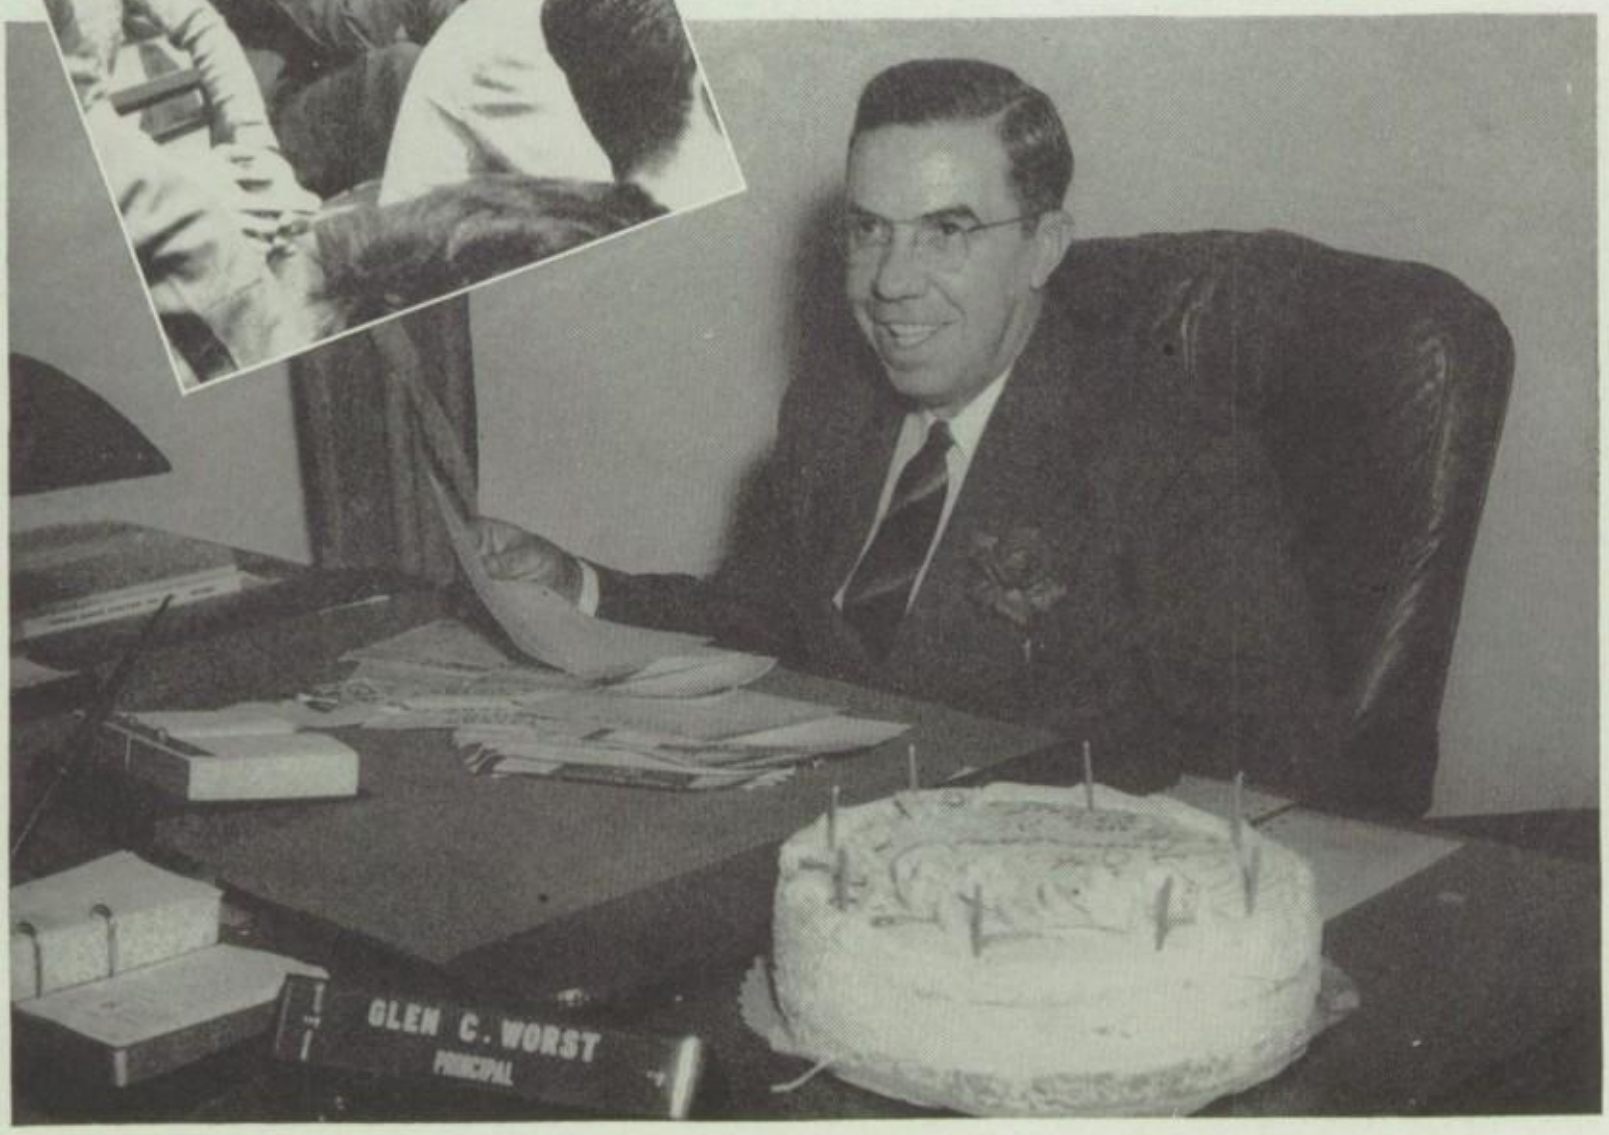
The Englishman looked at the questioner a moment, and then answered, "I am doing everything I can to make it better. What are you doing?"

MR. GLENN C. WORST, PRINCIPAL

I believe the way you answer this question, today and in the days to come, will determine what you are doing for the betterment of your fellow men. We cannot all play important parts in the world, but we all have a part, big or small, and that part we must play to the best of our ability.

We hope you will feel, as the years go by, that the training and inspiration you received during your four years at Calumet have helped you adapt yourself to your new responsibilities. Take those responsibilities, handle them in the very best way you can, and then we shall know that our graduates are doing their part to build a better world.

Glenn C. Worst



MR. EDMUND B. DALY

"Meet Mister Daly," Cal's own and newly-appointed assistant principal. (Are we glad it's now official!) His smiling face has its serious side, too, when he is counciling seniors. You see, he makes it his personal business to see that each and every senior graduates. He has his finger in other pies, too, such as aiding Mr. Worst, which in itself is a big job, and the charge of social functions, plus the registration office. But with all this, he loves his job. You see, Cal has grown on him, even as it has on you and me.

COUNSELLORS

All Calites have a warm spot in their hearts for these people who listen with understanding to the problems of their student visitors. Such cases as the boy having difficulty becoming interested in his studies, the girl with trouble in her home life, and the pupil who is continually tardy or absent are brought to the attention of Mrs. Hagen, Freshman counsellor, and to Mr. Sietsema and Mr. Johnson, Sophomore counsellors.

Counsellors are friendly and understanding teachers who are trying to help solve the perlexing problems that make high school life so detailed and complicated.

The third year students look to Mrs. Davies, Junior Counsellor for guidance in settlement of their problems. Seniors are given advice by Mr. Daly, Assistant Principal and Senior Counsellor.

Keep the Office Running Smoothly

OFFICE

School life centers principally around the office, where the principal and faculty plan the creative years for all incoming and outgoing students. Here all records are kept and anyone of Cal's "million or so" students can be located instantly by referring to the carefully filed student program cards. There also can be found a catalogue of all student failures and achievements. Yes, Cal's office is a pleasant, cheery, efficient place.

FEBRUARY

FEBRUARY

Through four years of toil and play these are the students who have risen to the top to hold the February senior class offices: Mike with his hearty laugh, Art with his easy going manner, Peggy with her sparkling brown eyes and Joyce with her friendly smile. Together with the various committees, this team's accomplishments have proved that the confidence of their fellows was not misplaced.

The committees, too, have done their share of the work. From the happy throng attending the first post war February prom to the last strains of "Pomp and Circumstance", these students have given time and effort to see that all the big occasions of their last semester at Cal ran smoothly.

To them a sincere "Thank you" is now extended by their classmates.

EQUESTRIAN CLUB

The Equestrian Club is the most active organization in Calumet in more ways than one. Each member is required to ride at least once a week with an authorized group from Calumet.

Sponsored by Mr. Elwood H. Smith, who is an accomplished rider himself, this club tries to promote equestrian perfection and sets an example of spirit and good sportsmanship for the school.

A breakfast ride is the main social event of the semester sponsored by the Equestrian Club. The members rise in the wee hours of the morning and go for a brisk canter followed by a luscious breakfast in a nearby restaurant.

The club, now completing its tenth semester, is one of the most popular clubs at school with a membership of over one hundred.

The Calumet Parent-Teacher Association has now completed another successful year under the progressive leadership of Mrs. P. C. Olsen.

Their monthly meetings have been centered around the theme "Parent Counseling," and many outstanding speakers were invited to take part.

The highlight of the varied and numerous activities of the P. T. A. this past year was the student performance "Cal Cavalcade," the proceeds of which were contributed toward a new curtain for the stage and many scholarship funds. The members of the association, who are ever ready to co-operate with students and faculty in any project which would benefit the school, have been of great service to all.

"Is there an 'e' in it? Oh yes, there is."

"No, there isn't."

"Yep, there is."

The winner is usually the one who can shout the loudest and usually it's Miss Lillian Sattler over a crestfallen editor. Of course Miss Sattler has been the Director of the Temulac three years and should win, but the poor ed can try.

The office, 137, bursts with noise when the staff enters. They automatically look on the bulletin board for assignments and then race to the picture files to identify new pictures and fight for a souvenir of the unusable ones.

Then when a hectic day reaches its peak, someone calls time and a pause is taken for a satisfying candy bar. Work is resumed peacefully when someone remembers he has to call the photographer. He dashes madly out of the room to 140 for the phone, knocking only a few victims down. The bell rings and the staff silently and slowly pass out (!)

Out of all the wretchedness and fun comes some hoarse voices, a few more knowledgeable people, and the Temulac.

CALUMET CRIER - 1948

If you hold a match or lantern up to the face of a drooping figure seen slouching through the darkened halls about 5:30, it will probably reveal a member of the Crier Staff.

Tracing the path of this toil-worn soul, we reach 210. Here, the door swings open to emit a congestion of noise and laughter that is practically deafening. This is the Crier Office where under the confusion there is really a singleness of purpose that enables the staff to turn out a really fine weekly paper.

These guys and gals work hard and are aided and abetted by Mrs. Gwen Hultenschmidt, who joins in the fun as well as the trials and tribulations of the fourth estate.

Though there are moments the stories aren't in on time or the pictures don't print, etc. when an editor begins to tear his hair, these Calites like their work. They enjoy being members of this swell gang with their corny jokes and wisecracks that would make "never a dull moment" a good motto.

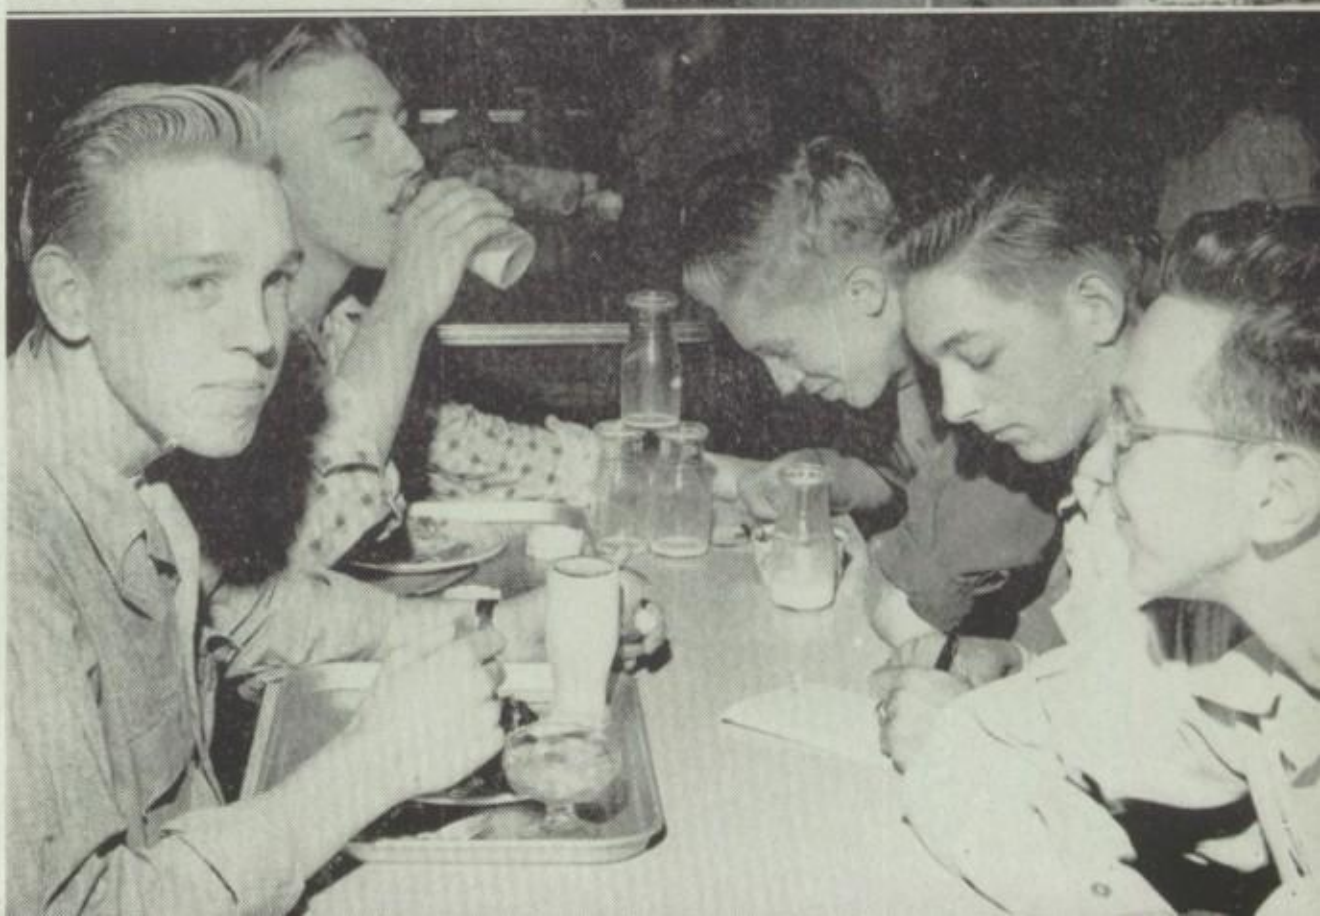
LUNCHROOM

Mrs. Hazel Regan has directed the activities of her efficient staff and has served Calites for the past four years with some of the most delicious food to be found in high school cafeterias. Ask the hungry students and they will say that the high spot in Cal's menu is the roast beef dinner with mashed potatoes; vegetables, salad, rolls, butter and milk. And how are these mountains of food prepared? The largest kettle holds thirty gallons, and is used for fresh meat. Potatoes are bought in one-hundred pound sacks. Potatoes for French fries are peeled in a special machine about four feet high, then put through a slicer, after which they are fried in large wire baskets.

On an average school day, Mrs. Regan serves one thousand eight hundred and eighty eight, or 84.4 per cent of the students at Calumet.

What's for dessert? Homework!

Puddings and Prices Peril the Pocket



Our Band to every Calite means the throbbing strains of the "Calumet Victory March" or some other favorite song played by those wearers of the Maroon and Blue under the capable direction of Captain Morris.

Whether Chicago's weather brings tropical heat or Arctic cold, Cal's band always takes the field and lends color and music to every function. Though their songs vary from the stately notes of the Commencement March at graduation to the sober singing of the "Star-Spangled Banner" at assemblies, they constantly acquit themselves with honor. Behind the scenes of the music that pours forth, however, are long hours of practice and work as every Calite who ever had a class near 206 can testify. One hundred hours of band work are required for a letter and fifty more for a chevron. Thirty-three hard-working students comprise the band that gives pleasure to everyone. The student director is Charles Miller.

CAPT. WM. J. MORRIS

From the first day of the school year until the last when it plays at the June graduation exercises, Cal's orchestra fills a vital place in school life. It is one of the most popular organizations in the school with both those who belong to it and with those who merely listen. On every occasion,—socials, assemblies, graduation,—the orchestra is there, producing the music that makes the event perfect. No matter what the composition—a majestic piano concerto or a precise march,—one can be sure the orchestra will play it splendidly and leave everyone breathless at the end. Behind its professional-like playing, however, lie long hours of diligent practice contributed by the music-loving students who comprise it, and the expert direction of the talented and amiable Captain Morris.

The letters A. C. C. L. mean to Calumet students the "All Calumet Civic League." This is the one school club to which nearly every one in the student body belongs. It is the governing body of the school, the background of every school function, taking charge of all the charity drives, many assemblies, movies, the Clean-Up Campaign, and after-school socials on Fridays. It also runs an election for the annual football queen.

Mr. R. J. Griffin sponsors the organization with an enthusiastic panel of officers. Also on the cabinet are Roger Hawkins, Director of Activities; Joan Mathes, Director of Clean-Up; and Dick Wasson, Election Commissioner.

The Clean-Up Committee under the able direction of Joan Mathes has put across many fine ideas to make Cal a clean and safe place. The Clean-Up Assembly, the election of a Clean-Up king and queen, and the dance brought to a close a year of hard work and achievement.

ATTENDANCE OFFICE

It always gets its man! Who? The attendance office, of course. This busy place takes care of everything from minor absences and serious tardinesses to major cuts, and keeps them in tidy files for future reference for four full years.

Some students have come to like the attendance office and some have come to dislike it. Those who like it are the Calites who work there. They look back on all the fun they had working, and in their spare time, looking up their friends' records. Those who dislike it are those who cut, are absent just about every day, and who are tardy. They just don't see why there had to be an attendance office.

The teacher and students both work out a fine system under the leadership of Mr. Elmer Casey.

Cheerleaders

Here they are. Those petite Dynamettes, the backbone of Calumet's school spirit.

Without regard to the elements, these gals have been ready and willing to cheer their fellow students on to victory. The past season the squad was capably captained by Aileen Kramer. She and her "team," equipped with effervescent pep and cheerful smiles, were a pleasure and part of every football and basktball game. With a farewell cheer we say, "More power to you."

Favorite Assemblies

Every year at Calumet there are a few favorite assemblies for everyone. This year was no different. There were memorable assemblies of all kinds from the fifteen minute pep shows to a serious patriotic presentation.

The annual P.T.A. variety show, in which many Calites participated again proved all the hidden talent which the school holds.

The girls always get up-to-date in grooming and dress at the Simplicity Fashion Show. Each semester the styles are shown to them by our own Calumet models.

Perhaps everyone is still wondering about the happenings at the General Motors Science assembly brought to us by the A.C.C.L. Who won't remember when the lights of the hall were out, how a tiny lamp the size of a thumb lit the whole room?

The Mannequin Line

Swinging it high

To celebrate the great leaders, George Washington and Abraham Lincoln, a patriotic show with each president represented by a student who gave his message as it applies to today's world was presented.

Last but not least, were the pep shows where Mr. Dygert would get out on the stage and say "Come on, Yell!!"

Yes, we have real assemblies at Cal.

Which club is the most exclusive and has the most sought after membership in the school? Any student will answer, "Why, the National Honor Society" of course.

To be eligible, a student must be in the upper fifteen per cent of his class and have also earned at least fifty service points. Before a student is entitled to wear the coveted pin of the organization, he must write an essay on the fitting motto, "Noblesse Oblige," which means that rank imposes obligation.

Besides possessing the gold pin, each member of National Honor Society may wear a gold tassel on his cap and occupy a seat on the stage during commencement exercises and will also be presented with a beautifully engraved certificate of merit.

The sponsor of the club is Mrs. Mary Roberts, who presides over the meetings until the officers are elected, and from then on, meetings are held according to parliamentary procedure.

Junior Honor Society

As Bill said to Ken: Shall I join the Junior Honor Society?

Ken: Naw—that's stupid!

Bill: But my brother told me to join because that's the first step toward the National Honor Society.

This is one of the most highly regarded organizations in "Cal", second only to the top-ranking National Honor Society. Not only are the students who are members of the Junior Honor Society the "brains" of the school, but they are also some of the most active fellas and gals. They have had to maintain an "E" average and be active enough to earn a progressive number of service points.

Miss Jenny Aasen sponsors this society and is assisted by Dave Servies, President; Judy Ormbrek, Vice-President; Janet Ormbrek, Secretary; and Shirley Babcock, Treasurer.

Clean Up Committee

Around corners, behind doors, just about everywhere, one could see a member of this year's Clean-Up Committee.

The campaign started off with a clean sweep 'way back last November. Months of hard work began with the Streets and Alleys Committee marking off and assigning districts to its members, who in turn campaigned to improve the appearance of our community.

Most unusual and most exciting was the parade, . . . the first in almost four years. Clowns, horses, cars, Calites, made up this extravaganza. Fun for everyone.

"Petunias. Anyone wanta' buy petunias?" This was a familiar cry heard throughout Calumet before Clean-Up Week. Sponsored by the Garden Club, this project helped to beautify our premises.

But above all these activities was the dance, "Suds Swirl," and the crowning of our King and Queen. What fun everyone had at the dance. And the spotlight singers! Did you say talent?

Once more . . . fun for everyone, and a tremendously successful Clean-Up Week Campaign.

Here come the colors . . . How many times have you been thrilled by the sight of the Color Guard coming down the aisle in the assembly hall with "Old Glory" and Chief Calumet side by side? And when they grip you, remember that when the guard passes an exit, the members of the Corps of Guard stationed there, "snap to." So . . . here they are.

R. O. T. C.

For the past year the Reserve Officers' Training Corps at Calumet under the auspices of Sergeant C. Brehm and Sergeant A. Doss, who along with the equally capable and inspiring leadership of the student officers, have helped make the Calumet unit one of the best in the city.

They have been responsible for the winning of some of the most coveted R. O. T. C. honors and awards in the South Section and in Chicago. Through diligent application of training and instruction principles, our unit has been able to place first in City Rifle Team Competition and thus has dethroned Bowen, which has led in this field for three years. The Calumet Picked Platoon also won honors in South Section by placing third. This not only reflects the good training of the men, but also their school spirit.

To arouse more interest, develop initiative, and increase the competitive spirit among the men, an Honor Company Award was instituted by the Reserve Officers' Association in the schools of Chicago. The winning Company was to be decided by the merits it received on the whole during its weekly inspections, the scholastic average of the cadets in the company, and their individual abilities taken collectively. A company of the Calumet unit won this award after a hotly contested battle of points. All of this training is in preparation for the culmination of the year's activities, . . . federal inspection of the unit by ranking officers of the city.

This extra-curricular work has been in preparation for the inter-city rifle team competitions, to which every R.O.T.C. unit sends its best shots to fire. This year, under the leadership of Captain Robert Farmer, Calumet's rifle team placed first out of the 29 city units participating.

If in a religious mood the strains of the "Lord's Prayer" may appeal to you. Or if you are happy and gay, the "Serenade" from "The Student Prince" may be more appropriate. But whatever the mood may be, the A Cappella Choir will surely foster it.

This group, under the direction of Mrs. Clare Harms, is the pride of Calumet. The Choir, in the way of service to the school, lends its harmonious tones to assemblies and special meetings.

Besides their hard work and service to the school, this mixed group has many social activities, not only for themselves but many times for the whole school.

Back under the devoted leadership of Mrs. Clare Harms, the Girls' Chorus has attained a richer and fuller knowledge of music, both classical and semi-popular. Their harmonious and melodious works may be considered essential to a well-rounded school semester.

Of course, it takes work to attain the best, but singing is work the whole Chorus loves. Dressed in red, green, and white they co-operated with the A Cappella in the annual Christmas program, as they have each year.

This group of girls also tries to sponsor a few social events a semester whether for their own group or for the whole school in general.

TEMULAC REPRESENTATIVES

"Do you have your money for your Temulac today?" You may hear this said almost any day by a Tem representative with a "buy it or else" gleam in his or her eye.

If it were not for these trusty colleagues of the Tem staff, it would be mighty hard to get a Temulac out.

MATH CLUB

Under the supervision of Miss Rowe, Miss McEnroe, and Miss Wernicke, these "wizards of figures" have four discussion groups each week at which the difficult and perplexing problems of mathematics are discussed and solved. Occasionally the groups meet to develop their skill for the annual Wilson Tournament.

LATIN CLUB

Working for a way of visualizing the high points of the romantic language, the Latin club of "Cal" has well achieved its goal. Under the interested sponsorship of Miss Edith Boyd the E and S students direct the activities of the regular classes.

GERMAN CLUB

Der Deutscher Verein, sponsored by Miss Josephine Martin, is open to any person interested in German dialogue. Sketches, conversations, and plays, in the foreign language, are a few of the activities that take place at this club's meetings.

GARDEN CLUB

The Garden Club under the direction of Miss Ruby Fremont does much in helping to beautify the school. Among its many interesting activities is the research project with the Horticultural Society. Every week beautiful flowers and plants are placed around the school to promote cheerfulness.

SPANISH CLUB

Once a week the language of Cervantes and Cortez issues from the lips of Cal's students. It's Los Amigos Pan-Americanos in session. The members of this active club promote the Good Neighbor Policy by trips to the Mexican shops, theaters, and restaurants of Chicago.

Mrs. Marjorie Murray is their sponsor, and Diane Holmquist holds the rank of President.

SAFETY COUNCIL

"Safety First", is the motto of this group, while their goal is fewer broken bones . . from automobile accidents, slippery pavements, or needless running in crowded halls. This club also does a fine job of checking all bicycles and automobiles, and distributes pamphlets and posters.

FILM AND REEL CLUB

Every day is a busy day for the hard working group of boys who comprise the Film and Reel Club. Under the direction of Mr. Raymond Griffin, they perform an invaluable service to the school by keeping all the films, projectors, sound systems, etc. in perfect working order. Many thanks to them for a tremendous job well done!

STAGE HANDS

One of the little-known groups of hard workers at Calumet are the stage hands. These boys have charge of the lights, curtains, and other backstage functions during the assemblies and plays that are given for our enjoyment.

Drama Club

A group which was recently reorganized and is now off to a fine start is the Drama Club. Whether it's Lincoln with a black beard or Peace in a snowy robe, the Thespians are prepared. Christmas brings a playlet given twice a period all day . . February thirteenth brings a patriotic assembly to promote the sale of Temulacs while through it all the grease-paint, scripts and fur fly. It's loads of work, but lots of fun, too.

There's someone for every job. Writers, typists for the scripts, players, directors, prompters, and make-up artists all give everything they possess to make each production a success.

Armistice Day, Memorial Day, and a final one act play are also Drama Club productions.

Thespians, we salute you! On with the show!

Senior Girls' Council

If there is a job to be done at Cal, you can be sure that the Senior Girls' Council are right out in front. These ambitious girls serve at the various luncheons throughout the school year, sponsor a semi-annual dance and Mothers' Tea for all 4A mothers, and last but by far not the least, they collect the "Gifts for Vets" at Christmas time and deliver them to the Vaughn General Hospital. These girls are chosen for their scholarship, service, and dependability. Their uniforms, blue skirts and white blouses or sweaters, lend distinction to their many duties.

Three hundred points . . . a perfect bowling score . . . is the goal of this group of girls. To achieve it, they meet every Wednesday after school at the Chatham Bowling Alleys and roll the ball, hoping for a strike or at least a spare.

After a girl has belonged to the club for four semesters, she receives an emblem. Awards are also given every semester to those three girls having the highest averages.

The club is under the supervision of the gym department and its President, Normalee Baldauf.

June Seniors

Here are the Seniors of June 1948! Four years ago they entered Calumet with Graduation Day their only goal. Now as this day draws near, their minds are set on their future. High School days are rapidly diminishing. What now? College? Career? Do they face the future with confidence? Yes, they do, because they know they have a background that no one can ever take away from them . . . their education. Everything the patient teachers have tried to drive home will be used in later life,—if not directly, then through the mental training which the work entailed. On all this their future will be built. All they make of themselves will come of the mental discipline Calumet gave them.

If they only could know how differently many of them would plan their lives. Now their ambitions differ widely. All of them have a goal, of course, of personal success, but all of them have been taught to feel that there is nothing incompatible between a goal of personal success and a general one of world betterment.

FOOTBALL 1947

The 1947 edition of the Calumet football team, although experiencing a rather disappointing season, proved again the quality that has been a part of former Indian elevens,—the courageous ability to keep on fighting until the final gun, no matter what the score may be.

While the Tribe managed to win only one of nine games, they succeeded in tying two contests, while their lone victory was a thumping 31 to 6 rout of Hyde Park on October 9.

Propelled by the power and passing of Fullback Joe Schultz, a four-year veteran, and the rocket-like speed of Halfback Mel Chenier, the Indian backfield made a valiant effort to overcome a decided weight handicap (the backs averaging only 145 pounds a man) by superior speed and deception.

Chenier led the Calumet scorers with 30 points, while Schultz was runner-up with 14 tallies plus one touchdown toss.

Larry Winters, an all-city guard, was the strong boy in the line, but he was ably surrounded by such dependable players as center Kent Buikema, guard John Wright, tackles Paul Clock and Ernie Goodman, and always capable end and captain of the team, Ken Hermanson. The forward wall was heavy, averaging almost 195 pounds per man, but this did not detract from its speed and blocking.

JOHN BOYLE, Coach

Football Queen

The peak of the excitement of last season's gridiron schedule was reached at the Parker game. There midst her cheering fans, reigned our 1947 football queen, **Joan Ruckman.** Surrounded by her court, **Joan Mathes, Jean Hansen, Aileen Kramer, Grace Adams,** and **Jeannette Mc Intyre,** Joan paraded the football field during the half.

For those who know Joan, it is not hard to understand why Calumet voted her their Royal Highness. Her cheerful smile and bright eyes, her willingness to cooperate in all activities and most of all her effervescent personality are reasons enough for her victory.

JOAN RUCKMAN

BASKETBALL

Cal's senior basketball team, as in preceding years, was one of the leading contenders for an upper berth in city and section standings.

After losing the opening game of the season to Englewood, the seniors won seven straight games and it looked as if they might take south section before they suffered defeat at the hands of Parker and South Shore. Thus they ended the season with an 8-and-3 record to place them third in the section.

In the city play-offs the Indians were defeated by Lane 47 to 45.

Outstanding in individual play were Bill Bondy, Bill Thomas, Don Wells, Bill Christiansen, Perry Grant, and Willard Kennedy. Bondy scored 38 points against Corliss, tying a school record.

The only blow the first team will suffer from graduation is the loss of Bill Bondy, which means that Coach Ivers should have another top-notch team next season.

JUNIOR BASKETBALL

Calumet's junior basketball team experienced its most successful season in recent years, winning seven games and losing four.

They opened the season losing to Englewood, but followed with consecutive victories over Harper, Corliss, Hyde Park, Morgan Park, and Bowen.

Then the Junior Indians met the toughest part of their schedule when they lost to C.V.S., Parker, and South Shore, but they ended the season defeating Hirsch which feat put them in a tie for third place in the South Section standings.

In the play-offs, they were badly defeated by Lane's Juniors.

The team was led by the spectacular play of Captain Ed Gordon and Mil Jutzi, who led the team to many victories.

The future of the Juniors looks definitely bright with a large part of the team returning.

WRESTLING TEAM

Cal's groaners finished third in South Section last season, winning six out of eleven meets.

The team was led by Connie Millar, who took second place in city, and placed fifth in the state meet, in the 138-pound class. Millar also led the team in points with 55, while Ernie Goodman was second with 47, and Captain Harry Grant was third with 36 points.

Row 3: Knabe, Bohne, Bohentin, Wegforth, Doherty, Diggins, Brockman

BASEBALL

As the Temulac goes to press, the Calumet nine has played eight games, winning six and losing two.

Led by Kavork Boghosian and Chuck Weiss, the team combines clever base running and hard hitting with a fast breaking infield to achieve real success as a winning baseball team.

Only four lettermen returned this year, but because of the skillful coaching of rookies by Mr. John Ivers, prospects look bright for the '48 season and the Indians are expected to uphold the outstanding records made by previous diamond squads.

SWIMMING TEAM

Cal's swimming team, coached by Mr. Francis Hansen, turned in an excellent performance this year by defeating all their opponents, and pushing on to win the South Section title.

The Junior and Senior squads defeated such experienced teams as Fenger, Hyde Park, Hirsch, Parker, Morgan Park, South Shore, and Vocational.

The Senior Mermen were led this year by Captain Ed Finger, and had such stars as John Van Berschot, Bob Duball, Frank Kolbaba and Dave Grant on the team.

The Junior Squad, led by Captain Dick Sutz, had high scorers,—for instance, Ralph Peterson, Mal Brooks, Harry Hague, Frank Krause.

Letter Girls

Blistered feet, aching backs, and sore muscles—they're the prerequisites for admission to the Letter Girls. One thousand points achieved by hours spent in bowling, swimming, hiking, cycling, and playing volley or basketball are required before a girl receives the coveted "C". One doesn't have to stop there though—three hundred more points earn a girl the first chevron and another three hundred entitle her to the second. But the girls who possess the "C's" and chevrons feel that the honor is worth their pains and all Cal salutes these proven sportswomen.

These are the girls who keep the G.A.A. of "Cal" functioning. With Miss Laura Pearson of the Gym faculty as advisor, this group plans the annual Christmas party, award assembly, and the bi-annual "freshie mixer," besides keeping the girls' gym in top-notch condition. You can't miss these "gals" in their trim blue and white uniforms every Wednesday. It is from this board that the candidates for the officers of the G.A.A. are selected.

"There it goes!"

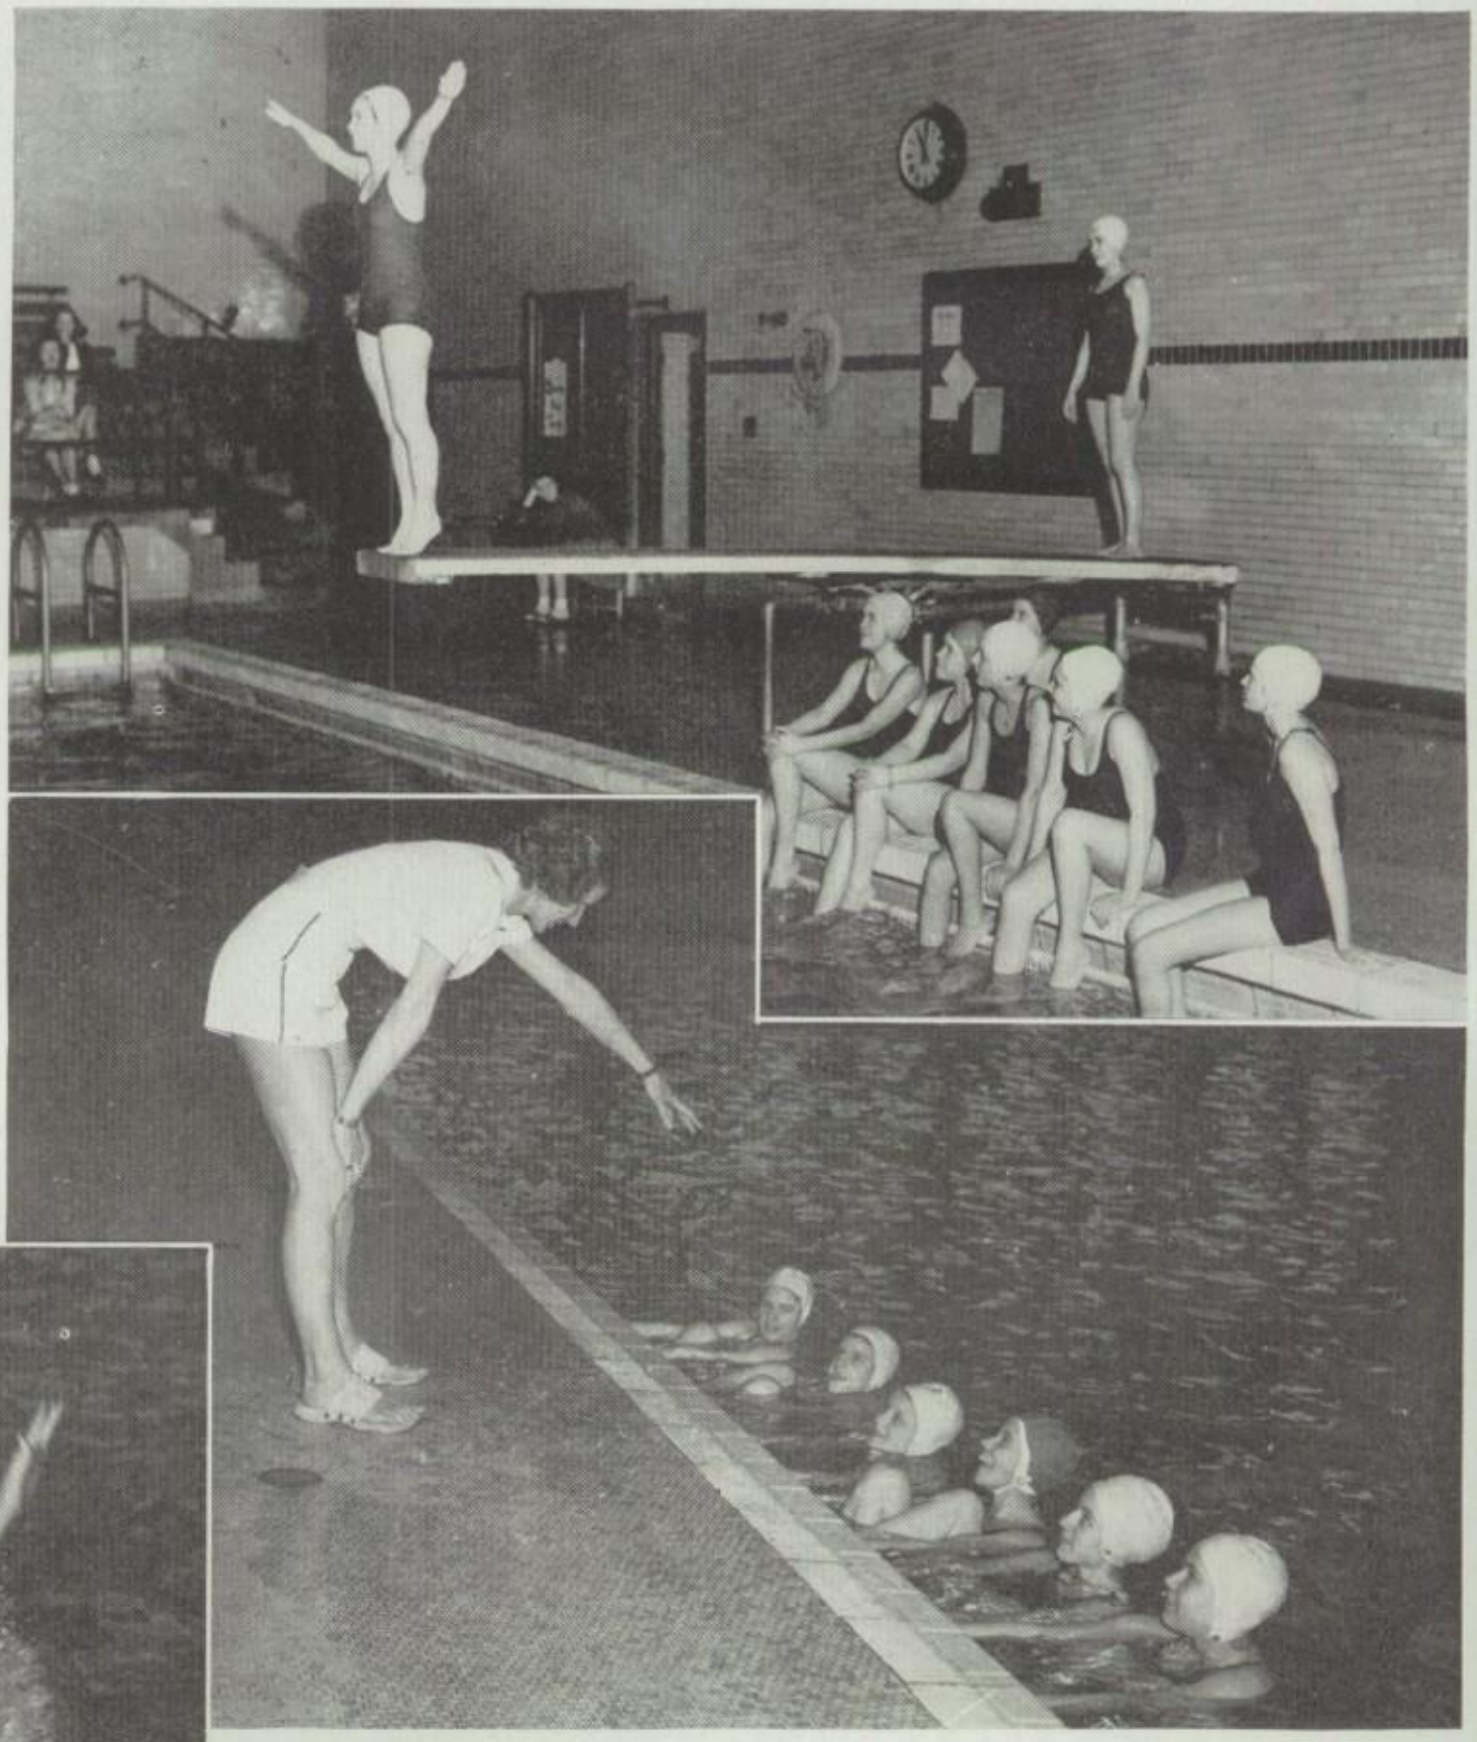
Swimming
GIRLS

Did you ever wonder who those girls are that wander about the halls with wet hair yet without an embarrassed look on their faces? Yes, these are the girl swimmers at Cal. This group meets once a week at the swimming pool and amid shouts of glee and cold water execute dives and swimming strokes which testify to their remarkable ability. Among the club's members are girls who have swum one or two miles as well as those who just love the water. The pool they swim in is seventy-five by forty feet and at its deepest is eight and a half feet.



"The Winnah!!"

Posture Contest

"Stomach in, chest out, heads up!" These are words which the girls who participate in the posture contest must follow faithfully. They are the ones at whom people give more than a passing glance for their beautiful carriage.

The contest helps Cal's girls to think of their figures. And as you can see from these pictures of "Chickie" Soutter, who won first place, and the runners up, most of Cal's girls have very good posture.

Miss Marie Kuglin

Leaders

"Did you see that basket?"

"Wow! She must be a leader!"

You bet, she's a leader and proud of it.

Miss Kuglin with her little army of sixty-five strong, are well known throughout the girls' Gym Department.

"Reffing" games, keeping room 249 in order, and renting and washing gym suits are but a few of the activities on the Leaders' agenda. But this organization is not all work and no play. Every Thursday these sportsminded girls spend tenth and eleventh periods improving their skills in basketball and volleyball.

Their cheerful smiles and willingness to help students as well as the teachers make the gymnasium a happy place.

Predictions

What is the event every Calite looks forward to with high hopes? With anxiety? Then finally the big question is asked . Yes, now you have a date to the Senior Prom. Months in advance. That's how important this date is.

Almost everyone is sure to be there, but without a doubt Calumet's favorite couples will be seen. These twosomes are seen everywhere together. In the Halls, in your classes, and now once more at the Senior Prom they remind us of the reality of romance.

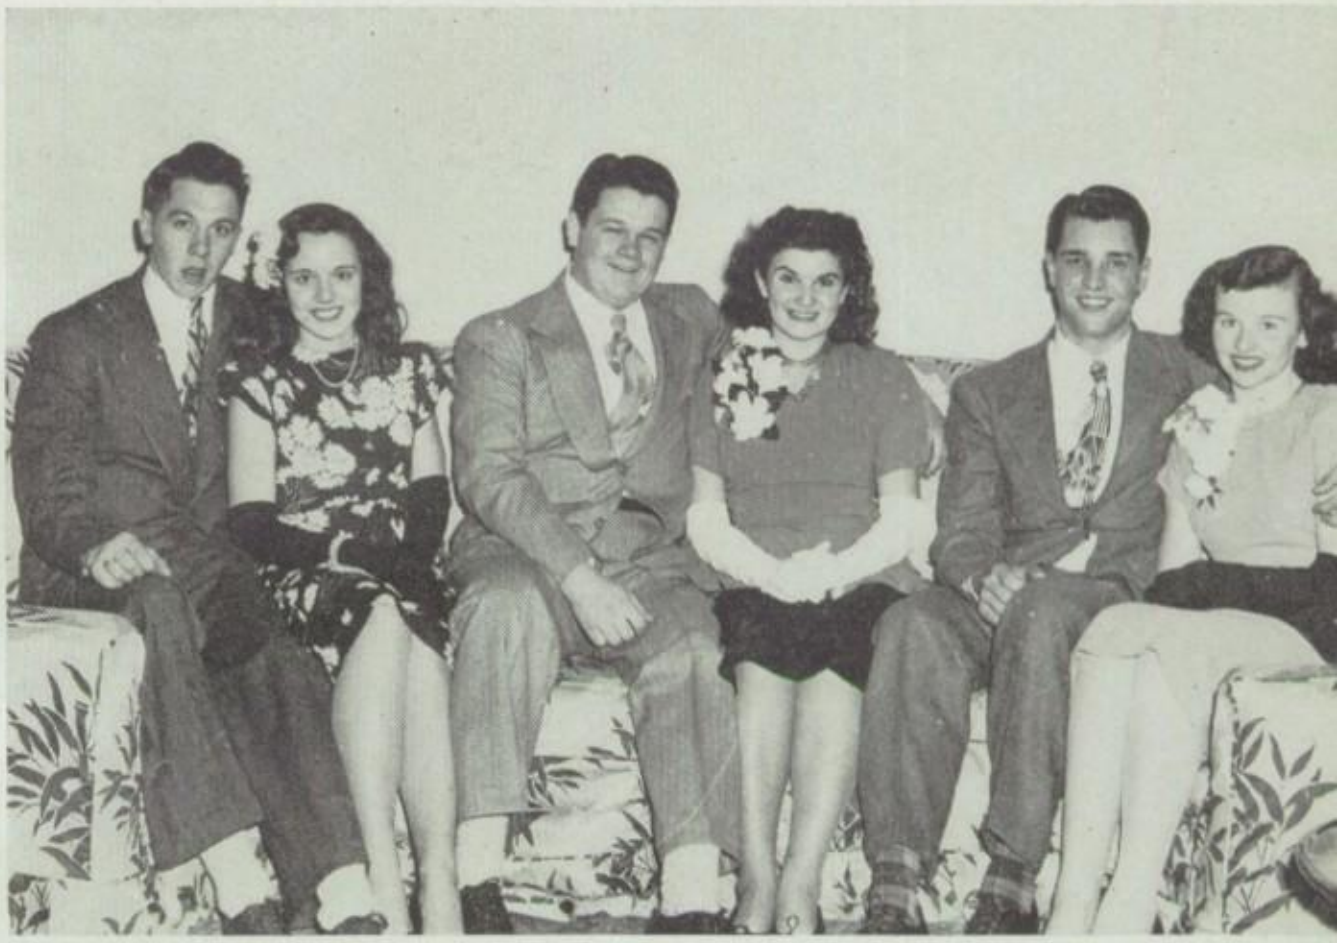
The Social Season

At the S.G.C.

Autumn Nocturne

Spring, a Smooth Orchestra, a Right Floor

Cal's social season officially opened November Twenty sixth, when the Senior Girls' Council presented their semi-annual dance, the Autumn Nocturne. The Del Prado was the scene of this gala affair accentuated by beautiful girls, exciting perfume, and an assortment of lovely flowers. The lucky fellows and girls who were there will long remember dancing to the smooth music of Hal Eberling and his band.



Autumn Nocturne

Spring Fantasy

The long-awaited evening finally arrived. It was a night filled with food, dancing, and the good time that everyone had at this Senior Girls' Council semi-annual dance, the Spring Fantasy.

Thanks to the hard work of the Council, this dance, in the boys' gym of Calumet proved to be something different. One has only to remember the fragile decorations and the clever bids to know this. Johnny Lewis and his Stardusters helped to give the proper atmosphere to the dance.

The Scene—Laughing couples drifting lightly to the sweet strains of Bob Ruehle and his orchestra.

The Place—The Crystal Ballroom of the Shoreland Hotel.

The Time—January 9, 1948, the night of the first Mid Term Senior Prom since pre-war days.

Result—A golden moment stored in the memory book of Cal.

The "Suds Swirl," which is the name given to this year's Clean-Up Dance, was held at Ridge Park Fieldhouse, April 23rd, at 8:30 P.M. The music was supplied by the "Bubbling Blue Notes." The hall was cleverly decorated with streamers of pink, blue, yellow, and green. As an added feature, a large decorative box hung from the ceiling, and as a climax to the evening, this box opened, allowing gaily colored balloons to float lazily over the crowd.

Ernie and Audrey, Clean-Up King and Queen, reigned in a traditional manner over the dance. Joe and Betty, the Spotliters, were chanteusses for the evening.

The annual sweater dance, "Knit One—Whirl Two," given by the Kiwiettes was held February 28th at Hamilton Park Field House. The attire for the evening was sweaters and socks. Highlighted at the dance were the couples who wore matching sweaters. The grand march was fun too, for it's here that you get to see everyone.

Bob Clemens and his band supplied the music.

The Kiwiettes are sponsored by Mrs. F. W. Law.
